

Pray for more workers in the harvest

Harvest Ministry Teams

Since 1996 Harvest has had a mission to “equip young adults for ministry while providing a resource to the local church.” Turning the next generation into Christian leaders is what all of us have been called to do. Harvest does this by inviting young adults from our conference to participate in hands on ministry for two months each summer! Local church contributions make up about 25% of the Harvest Annual Budget. Your special contribution toward Harvest Ministry will help undergird the 2010 Summer Team.

“I have learned that Harvest is not here to put on a show, nor do we want to put on a show. We are basically here to be a light to everyone we come in contact with and to lead others in worship. We want to take time to get to know the kids because they are the future of the church. Every chance we get to serve is well worth it.”
