

Pray for more workers in the harvest field...

Harvest Ministry Teams

Since 1996 Harvest has had a mission to “equip young adults for ministry while providing a resource to the local church.” Turning the next generation into Christian leaders is what all of us have been called to do. Harvest does this by inviting young adults to participate in hands on ministry for two months each summer! During the summer of 2009, there six young adults on the team and we will be traveling from June 1– August 2. Your contribution toward Harvest Ministry will help undergird the 2009 summer ministry experience.

“I have learned that Harvest is not here to put on a show, nor do we want to put on a show. We are basically here to be a light to everyone we come in contact with and to lead others in worship. We want to take time to get to know the students because they are the future of the church. Every chance we get to serve is well worth it.”
